

BENEFITS OF CUTA MEMBERSHIP

COMMITTEES

Network and build long-lasting relationships with your peers across Canada

We have 5 national and 5 regional committees, plus 21 additional committees

EVENTS

CUTA events are premium networking and learning opportunities

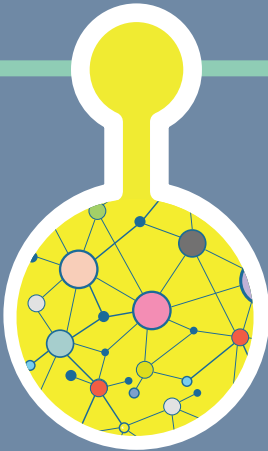

The Canadian Transit Show sees over 125 exhibitors of industry products, services, and innovation. Thousands of people attend our conferences every year

DATA & ANALYSIS

We are internationally recognized as a leader in reporting on Canadian transit system statistics and research

Our data represents more than 98% of Canadian transit ridership

NETWORKING & RECOGNITION

Leverage our national and international partnerships and participate in our awards of excellence program

Our flagship annual conference and regional events present the most important transit industry networking opportunities in Canada

GOVERNMENT CONSULTATIONS

We hold 100+ federal stakeholder meetings each year to communicate the needs and benefits of the transit industry

EXPERT ADVICE

Our transit specialists on staff are here to give you expert advice and information

INDUSTRY DEVELOPMENT

Our Transit Vision 2040 is a blueprint for the future of Canadian public transit and urban mobility. It is widely recognized as a guiding force in defining transit priorities and aligning municipal master plans

Transit Vision 2040 includes 7 strategic directions

LEARNING CENTRE

We offer 100+ educational modules per year. We specialize in transit training, performance and recruitment solutions

Choose from 120+ learning events each year

PUBLICATIONS & ONLINE RESOURCES

Our members know they can rely on top-quality, relevant and current articles and editorial content in our quarterly Urban Mobility FORUM magazine and our bi-weekly EXPRESSions e-newsletter

SPEAKING & SPONSORSHIP

We offer 100+ speaking opportunities every year. When you speak at or sponsor a CUTA conference, you are at the hub of Canada's transit industry
