

CUTA'S 2019 ANNUAL CONFERENCE & YOUNG LEADERS SUMMIT SPONSORSHIP PACKAGE

A MESSAGE FROM OUR PRESIDENT & CEO

Dear supporter,

Public transit helps build livable and healthy communities. For over a century, the Canadian Urban Transit Association (CUTA) has been the collective voice for transit and integrated urban mobility in Canada. Like you, we are passionate about transit because it improves our communities – economically, environmentally and socially.

On behalf of CUTA, I would like to inform you about an exciting event we are planning for this fall. Our **Young Leaders Summit (YLS)** will be held in Calgary, Alberta, from November 8 to 10, 2019. The Summit seeks to inspire a new generation of transit leaders and advocates who are looking towards a more sustainable and equitable future. To make this happen, we are seeking sponsorship from key players in the transit industry, as well as local and regional organizations with an interest in supporting young leaders and sustainable transportation.

Every year, CUTA also facilitates four days of sessions, interactive roundtables and networking opportunities that connect hundreds of professionals dedicated to transit. Our **Annual Conference and Transit Show** will be held immediately after the YLS with a program designed to appeal to a broad range of transit professionals from senior executives to operational and maintenance supervisors. Our success depends on partnerships with local stakeholders and supporters like you.

This year's Annual Conference will be held from November 10 to 13 in Calgary. We are working with our host, Calgary Transit, and other industry leaders to build a truly innovative program. Our goal is to deliver an unforgettable conference experience that showcases our theme, *Generation Innovation*. Join us as we engage and empower the next generation of transit leaders to tackle our industry's challenges head on.

Support our YLS and Annual Conference by reserving your sponsorship rights today. Take advantage of this great opportunity to position your organization as a champion and thought leader among your peers and industry decision makers. We are ready to assist with your sponsorship needs. Contact us today!

Thanks and see you in Calgary!
