Keynote Speech with futurist Sanjay Khanna!

Join us this November at the [CUTA Forum 2017: Route to Innovation](#) and do not miss **our keynote speaker Sanjay Khanna** on Monday, November 6th at the Opening Host Breakfast Plenary from 08:00 to 09:15.

[Sanjay Khanna](#) is a futurist, speaker, and thought leader. Mr. Khanna was one of 21 global experts interviewed for KPMG International's major report "Future State 2030: The global megatrends shaping governments". Mr. Khanna turns original thinking into strategic insight for today—and years ahead. Amid growing risks and uncertainty, he helps businesses, governments and not-for-profits to Adapt to the Future. The Mobility Plus Workshop and Tour: Sponsored by RouteMatch

Join York Region Transit's specialized transit service, Mobility Plus for the day as they demonstrate how to support a seamless, multimodal transportation network, that encourages healthy and active travel. Adding to the success of using conventional services (Family of Services), for all or part of a specialized transit trip, Mobility Plus is now looking at opportunities to use specialized transit vehicles (On-Demand Strategy) for those residents whose travel demands may not be well served by traditional, conventional transit services. [Here are the workshop highlights.](#)

This workshop and tour will take place at the state-of-the-art York Region Transit Operations, Maintenance and Storage facility. Sign up onsite at the Tour Desk, located across from the CUTA Registration Desk

For more information, please contact [Paulina Cadena](#).

Communications & Public Affairs Committee at CUTA Forum 2017 in York Region

The Communications and Public Affairs Committee will host its next meeting on **Tuesday, November 7th** at the Sheraton Parkway Toronto North Hotel during [CUTA's Forum 2017: Route to Innovation](#). Items on the [agenda](#) include:

- CUTA update on PTIF Phase 1 deadline

- Customer experience presentation
- Mobility Pricing Independent Commission in Vancouver
- Technology and the next phase of integrated mobility
- Data analytics presentation

For more information or to attend the upcoming meeting, please contact [Jodie Hunt](#).

Integrated Mobility Implementation Toolbox

CUTA is pleased to release its most recent body of research: the [Integrated Mobility Implementation Toolbox](#), specifically designed to help Canadian transit systems and municipalities implement the foundations of integrated urban mobility into their communities without having to start from scratch. A webinar explaining how to use the Integrated Mobility Implementation Toolbox, as well as the webinar slide deck are [now available for viewing](#).

For more information, please contact [Calvin Chia](#).

CUTA Learning - Transit Maintenance and Asset Management

One of CUTA's most anticipated courses, *Transit Maintenance and Asset Management*, is now available for registration. Learn to estimate and schedule facility and fleet maintenance programs, as well as prepare a transit asset management plan and annual work plans.

Register and reserve your spot today:
