

Director of Transit Services

Welcome to the City of Greater Sudbury, a growing community recognized for innovation, leadership and a great northern lifestyle. As a resident of our City, you will have access to all the amenities found in larger urban centres, and still be only a short drive away from untouched natural beauty and several provincial parks. You will be a part of a dynamic and diverse regional capital that functions as the service hub for the 550,000 people of Northeastern Ontario, with a focus on technology, tourism, education, government and health services. One of the largest geographical municipalities in Canada, with a population of over 162,000 and a booming economy, Greater Sudbury is a warm and welcoming community.

Division Overview

Greater Sudbury Transit provides safe, reliable and affordable local public transit services. The GOVA family of transit services includes three choices for getting around including GOVA (conventional service), GOVA Zone (on-demand service) and GOVA Plus (specialized service).

Position Overview

Reporting to the General Manager of Community Development, you will be responsible for the preparation and execution of an annual Business Plan covering all mandated services of the Transit Services Division, in concert with the budgeting process. You will lead and direct the five major functions and sections of the Division including GOVA Transit, GOVA Plus, Service & Assets, Driver Certification and School Crossing Guards. You will also co-ordinate with Fleet Services to ensure the safe and efficient operation of all Transit vehicles and equipment, and the management of the transit fleet replacement cycle. You will also administer the “Greater Sudbury Transit Action Plan” project that outlines the steps the City can take now and in the future to transform its transit network and improve how it serves and connects the community.

Qualifications

You must have a university degree and six years of leadership experience, or a college diploma and eight years of leadership experience, including at least four years' managing in a similar function. You should have knowledge of current and emerging issues within the City of Greater Sudbury as they affect the Transit Services Division, and knowledge of applicable legislation and related regulations. You must have experience in preparing operating and capital budgets and creating business plans.

Competencies

You will set yourself apart from your peers if you understand the business implications of opportunities and decisions, and implement successful business strategies to improve organizational performance. You inspire others to work toward common goals by engaging and empowering them, and providing them direction.
