Job Description

An exciting opportunity exists to join the City of Kamloops' Transportation team in a Permanent, Full-Time Transportation Planner position! This position is responsible for overseeing transit planning and operations, transportation-related sustainability initiatives, Active Transportation Planning and Transportation Demand Management (TDM) initiatives. If you want to be part of a culture of empowerment and you embrace respect, accountability, clarity, collaboration, integrity and competency then working in the Development, Engineering and Sustainability Department may be a great fit for you!

Typical duties of this position include:

- Liaises closely with other City divisions/departments and external agencies, including ICBC, BC Transit, School District No. 73, Thompson Rivers University, and the RCMP on transit and transportation issues, and acts as an internal consultant from time to time.
- Administers contracts relating to transit.
- Responds to a variety of customer inquiries and requests.
- Identifies and implements improvements and maintenance of transit exchanges and the transit infrastructure.
- Markets and promotes all aspects of the Kamloops Transit System in partnership with BC Transit.
- Provides guidance, coordinates and promotes TDM and Active Transportation Initiatives.

The successful candidate must have the following qualifications:

1. Completion of senior secondary school or its equivalent.
2. Completion of a University degree in Planning with a concentration in Transportation or Transit Planning.
3. Minimum three years of experience in transportation or transit planning.

Canada's Tournament Capital

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position.
