

CUTA QUEBEC CITY SPRING CONFERENCE COVID PROTOCOLS

The health and well-being of CUTA's members, participants, and staff is a top priority. As a result, we are enacting the following safety measures, including **the need for all participants to wear masks**, in accordance with the order of the Government of Quebec.

Masks Required for All

Wearing a mask or face covering that covers the nose to under the chin is mandatory in the province of Quebec in “a rental room or other venue used to host events, such as conferences and conventions.” However, it is possible to remove the mask at specific times and under certain conditions, for eating or drinking. Disposable masks will also be available on-site for all participants.

Physical Distancing

Whenever feasible, CUTA urges all participants to practice physical distance. Attendees are encouraged to take any further precautions that may help them feel more at ease and secure. Avoiding handshakes and embraces, for example, can help restrict physical encounters.

On-Site Registration

CUTA strongly advises that you register in advance to make the process as simple as possible for you, and to avoid overcrowding in the registration area. The number of alternatives for on-site registration may be limited.

Cleaning & Disinfecting

The Fairmont Château Frontenac will have hand sanitizing stations located around the hotel. Cleaning and sanitizing of high-touch areas will be done on a regular basis.

Food & Beverage

At all food functions, best procedures for safe food handling will be followed. While not actively eating or drinking, participants will be required to wear masks.

Fairmont Château Frontenac

The Fairmont Château Frontenac in Quebec City will host the Spring Summit & AGM. FCF has introduced intensified hygiene & prevention measures to ensure your safety. The ALLSAFE label verified by Clifton represents their new elevated cleanliness protocols and standards and provides assurance that these standards have been met in the hotel.

To learn more about the extensive measures Fairmont Château Frontenac is taking to safeguard, protect and care for their guests, visit <https://all.accor.com/event/allsafe.en.shtml>.

We are constantly collaborating with the Fairmont Château Frontenac, our host (RTC), the city of Quebec, and our partners to ensure that everyone has a safe and productive conference. As more information becomes available, this website will be updated often.
