Metrolinx is connecting communities across the Greater Golden Horseshoe. Metrolinx operates GO Transit and UP Express, as well as the PRESTO fare payment system. We are also building new and improved rapid transit, including GO Expansion, Light Rail Transit routes, and major expansions to Toronto's subway system, to get people where they need to go, better, faster and easier. Metrolinx is an agency of the Government of Ontario.

We embody our values in everything that we do. We Serve with Passion, Think Forward, and Play as a

Our Transit Integration team is hiring a Transportation Planner who will carry out comprehensive, strategic and technical transportation analysis to support fare and service integration objectives and associated infrastructure requirements.

What will I be doing?

- Conducting transportation analysis to develop and evaluate proposals for improved fare and service integration between transit agencies.
- Utilizing Power BI tools to generate and interpret ridership data from across the Region. Develop tools and dashboards to support planning analysis.
- Monitoring and analysing transit service integration to identify and develop opportunities for improving quality, efficiency and effectiveness.
- Providing transportation planning expertise and support to the Transit Integration team.
- Analysing service integration gaps and support development of solutions and pilot projects
- Measuring the impact of fare and service integration programs and projects
- Supporting the management of transit integration projects, strategic corporate planning projects, externally mandated projects, and other corporate initiatives.
- Support ongoing engagement with local transit agencies to support improved service integration and transit mode share to stations

What skills & qualifications do I need?

- Minimum Diploma in Transportation Planning, Urban Planning, Transportation Engineering, or any combination of education, training and experience deemed equivalent
- Minimum 4 years of progressively responsible experience in the transportation planning or transit infrastructure planning field
- Knowledge of the theory, principles, and practices of transit planning and service delivery, with the ability to integrate transit planning with corporate objectives, market research, and other transportation and land use planning.
- Knowledge and expertise in bus and/or rail service scheduling would be an asset.
- Strong project management and technical analysis skills, including data management, quantitative analysis, ridership forecasting, and cost estimation.
- Experience with BI tools
- Policy development/implementation experience is an asset.
- Proficiency in the use of spreadsheet, database, presentation, and word processing computer applications
- Excellent analytical, oral, and written communication as well as interpersonal skills

Accommodation:

Accommodation will be provided throughout the hiring process, as required. Applicants must make their needs known in advance.

Application Process:

All applicants must be legally entitled to work in Canada. Metrolinx will be using email to communicate with you for all job competitions. It is your responsibility to include an updated email address that is checked daily and accepts emails from unknown users. As we send time sensitive correspondence, we recommend that you check your email regularly. If no response is received, we will assume you are no longer interested in pursuing the opportunity. Please be advised that a Criminal Record Check may be required of the successful candidate. Should it be determined that any background information provided be misleading, inaccurate or incorrect, Metrolinx reserves the right to discontinue with the consideration of your application.

Metrolinx employees are required to be fully vaccinated against COVID-19 in accordance with Metrolinx's Mandatory COVID-19 Vaccination Policy as a condition of being eligible for the recruitment process. Proof of COVID-19 vaccination will be required. If you are not able to obtain COVID-19 vaccination for a reason related to a protected ground of discrimination under applicable human rights legislation, you can request accommodation from Metrolinx.

We thank all applicants for their interest, however, only those selected for further consideration will be contacted.
