## Director, Rapid Transit and Transit Oriented-Development Region of Durham

The Region of Durham is dedicated to maintaining outstanding standards of service and relies on the expertise and commitment of its employees. Durham is one of Ontario's fastest growing areas with a population of nearly 750,000 people in some of Ontario's most beautiful settings. Durham has it all: major infrastructure investments, an accessible and specialized talent pool, world-class education institutions, and a well-established enterprise-driven business community.

The Director, Rapid Transit and Transit Oriented-Development (RT-TOD), reports jointly to the Commissioner of Works with respect to rapid transit implementation matters, and to the Commissioner of Planning and Economic Development with respect to transit-oriented development matters, and is responsible for the delivery of rapid transit and transit-oriented development initiatives across the Region. The Director will lead, coordinate, facilitate and direct all Regional activities aimed at achieving and sustaining the transit oriented objectives in the [Region's Official Plan](#) and the [Transportation Master Plan](#). As a positive and highly motivated leader who oversees a team of dedicated professionals in the RT-TOD Office, the Director collaborates with other Regional Departments and is a key advisor to the Region's Rapid Transit Steering Committee which is chaired by the Region's Chief Administrative Officer. The Director plays a lead role in facilitating proactive planning and design around proposed stations along the Lakeshore GO East Extension and other rapid transit corridors such as Highway 2 Bus Rapid Transit and Simcoe Rapid Transit. With your business planning and stakeholder negotiations experience, you will leverage funding opportunities for rapid transit deployments.

The ideal candidate possesses a relevant university degree in Planning, Engineering, Real Estate Development, Business, Facilities or Finance. With your exceptional leadership skills attained through progressive senior-level experience, you have experience developing and engaging diverse high-performing, cross-functional teams and partnerships for advancing major infrastructure projects. Additionally, extensive project management experience within a municipal environment dealing with complex rapid transit projects is strongly valued, as well as background in providing financial oversight to ensure teams are meeting objectives while ensuring cost effectiveness along with a real estate/development focus.

*The Region of Durham is an equal opportunity employer. In accordance with the Accessibility for Ontarians with Disabilities Act (2005), upon request, accommodation will be provided by both Odgers Berndtson and the Region of Durham throughout the recruitment, selection and/or assessment process to applicants with disabilities.*
