

Make working for  
The City work for you.

## Track Maintainer

If you are committed to public service, enjoy collaborating with others, share our values and have a desire to learn and grow, join [The City of Calgary](#). City employees deliver the services, run the programs and operate the facilities which make a difference in our community. We support work-life balance, promote physical and psychological safety, and offer competitive wages, pensions, and [benefits](#). Together we make Calgary a great place to make a living, a great place to make a life.

The City is committed to fostering a respectful, inclusive and equitable workplace which is representative of the community we serve. We welcome those who have demonstrated a commitment to upholding the values of equity, diversity, inclusion, anti-racism and reconciliation. Applications are encouraged from members of groups that are historically disadvantaged and underrepresented. Accommodations are available during the hiring process, upon request.

As a Track Maintainer, you will work under the direction of the Roadmaster's, and perform heavy manual work involving the routine maintenance and inspections of the Light Rail Transit (LRT) rights-of-way.

Primary duties include:

- Perform maintenance on the track and right-of-way as required by cleaning switches and tracks; greasing/lubricating tracks, as required; changing or replacing track or track components; and monitoring track for wear or damages.
- Inspect track infrastructure.
- Operate various vehicles/equipment as necessary, such as: forklifts, cranes, hi-rail equipment and track sweeper.
- Maintain tools and equipment required to perform assigned work.
- Ensure cleanliness of right-of-way is upheld, and that safe working conditions are maintained in the work area.
- Participate in health and safety meetings and work groups, ensuring that any defective equipment is reported promptly.

### Qualifications

- Completion of some High School courses (including Grade 10 English and Math).
- At least 1 year of directly related Track Maintenance and/or Track Construction experience.
- Applicants must be capable of obtaining the necessary certification to operate all equipment required by this position. Adherence to safety regulations, Rail Operations Rule Book and established procedures of the work unit is required.
- A valid Class 5 Driver's License (or provincial equivalent), with no more than 6 demerits and no current suspensions or charges pending.
- The ability to obtain a Class 3 License will be an asset.
- Previous Calgary Transit Track & Way experience is considered an asset.
- The successful applicant must demonstrate sound judgement in safety standards, strong communication skills, and the ability to follow direction and work effectively in a challenging environment.

**Working Conditions:** This position requires heavy physical work to be performed in all weather conditions. Manual work involves lifting and positioning of heavy materials and the operation of specialized power tools/equipment. The exercise of due caution when operating or working around the catenary is necessary.

### Pre-employment Requirements

- Must obtain a City of Calgary operator's permit
- Successful applicants must provide proof of qualifications.
